Our mission at Adventure Camp is to have a positive impact on each camper through active games, creative art work, creating new friendships, and learning. We genuinely hope your child's experience at camp is one that will create many lasting memories.

The vision of Summer Adventure Camp is to provide opportunities that our youth can discover many activities they love! We create an environment where campers are constantly learning new things, maintaining a safe and fun environment. We have a wide variety of programming happening this summer at Adventure Camp ranging from: themed weekly activities, sports, field trips, connecting with nature, learning about nutrition, yoga, swimming, arts and crafts and much more! As they run, laugh, smile, and play, it is our hope that campers will learn to cherish every moment!

Enclosed in this packet you will find all necessary information to ensure your child's enjoyment and safety. If you have any questions about any of the content regarding camp, do not hesitate to contact us. We are so excited to learn and grow with your child this summer.
