Introduction

This document contains the 2020/2021 fiscal year operating budget for the Tehachapi Valley Recreation & Park District. This budget reflects the District's anticipated programs and operational estimates. It not only lays out fiscal information, but also assists staff and Board of Directors in planning and accomplishing goals and objectives based on the District's Mission.

It is important to note the approach of how this budget was prepared given COVID-19 and the current pandemic. This budget reflects a fully functioning operation. In FY 2019/2020, many programs and events were cancelled in response to State and County guidelines, restrictions, and stay-at-home orders. FY 2020/2021 reflects a budget that includes ALL programs and events as if they will be facilitated. While it remains uncertain if/when the District will be able to function "normally," the District's team include some of the best in the recreation and park profession. The District has adapted to the challenging times and will continue to do so while keeping the District's mission and purpose the top priority.

 - In FY 2019/2020, the Lake generated \$30,734.00 in Day-Use.
 - For FY 2020/2021, the District anticipates to generate \$45,000.00.
